Experience

Fiorella Arenas Bollazzi, lawyer, works mainly in the Litigation Department, specializing in Environmental and Regulatory matters. Her practice in the Regulatory and Environmental area includes: conducting legal audits; giving advice and legal support in the day to day business; obtaining environmental and regulatory licenses; providing continuous Legal Monitor Service (regulatory update reports); advising companies in the purchase, sale and project financing of different industries; representation of companies and civil associations in participatory or negotiation processes with authorities; presenting administrative appeals before the controlling agencies and rendering assistance to clients in judicial litigation.

Her practice also includes advising clients on issues related to commercial contract negotiation, contractual and tort liability and litigation related to these areas.

At present, she is studying for a degree in International Relations, and she is member of the Commission on Environmental Law of the Uruguayan Bar Association.

Specialization courses

- Update in Environmental Jurisprudence - Fundación Expoterra and Rubinzal- Culzoni, Buenos Aires, Argentina.
- - Environmental Law with a Gender Perspective - Fundación Expoterra and Rubinzal- Culzoni, Buenos Aires, Argentina.
