Experience

Santiago is a lawyer graduated from Universidad de la República. He develops his activities in the Corporate & Banking department.

His practice includes advising different financial and non-financial entities around banking operations in general, legal audits, M&A, maritime law, among others.

Publications

Santiago has published articles and lectures, mainly on commercial law topics:

- "Analysis of the active subject of the crime of labor risks in Law 19.196 and its reception in our jurisprudence" (2022).
- "Brief analysis of unilateral termination in distribution contracts" (2023).
- "Franchising: on the extension of liability to the franchisor" (2023).

Languages

English, Spanish, Portuguese, French.
